Dear Amgen:

I am excited to apply for the Contracts and Pricing Execution Data Analyst position. Below are your requirements and my qualifications:

Your Requirements:

> High attention to detail, excellent verbal communication skills with internal team members

> Team Player

> Experience with MS Excel, Alteryx, Tableau, SQL and/or Power Query

> Master's Degree or Bachelor's Degree and 2+... or Associates Degree ... or high school diploma...

My Qualifications:

> Served in various positions in school organizations throughout my college career as Treasurer, Finance Director, and Vice President

> Ability to work with various groups of people as a result of playing sports for 10+ years and involvement in clubs on campus, and employment with various companies

> Certified in Full Stack Web Development
> Microsoft Technology Associate: Database Fundamentals

> Management & Business Economics, B.S. with managerial experience

These are only a few of my accomplishments. I look forward to speaking with you in more detail about my experience, and I will follow up by phone.

Sincerely,

Karina Williams
